

Exciting Part-time Chef Opportunity at Paradigm Place in Braddock

Launch/Expand your culinary brand!

Job Overview: Paradigm Place is hiring chefs we can introduce to our community. We invite chefs, culinary entrepreneurs, and aspiring food innovators to join us and bring exceptional food experiences to Braddock. Chefs will operate with a flexible approach, allowing them to choose available dates and times to showcase their talents. Chefs will be required to confirm their availability at least 48 hours in advance to ensure smooth operations and proper preparation.

Location: Braddock, PA

Pay Rate: \$25.00 per hour (4 hours per week on-site, 8 hours per week for prep)

WHAT WE'LL DO FOR YOU

As part of our partnership, after achieving certain milestones we will provide:

- Marketing support to enhance your brand;
- Promoting your name on our website, through social media, and other forms of publicity;
- Partnership opportunities with other local chefs;
- Funds provided for training, travel, and certification.
- Opportunity to cater to PGI-run and partner events.

KEY RESPONSIBILITIES

As a Paradigm Place Part-time Chef, you will:

- Sign up 48 hours ahead to confirm your availability;
- Prepare and Serve Food: Prepare “grab and go” style meals at our partner Electric Avenue Kitchen, an off-site commercial kitchen, and serve onsite at Paradigm Place;
- Engage with the Community: Build relationships with patrons and establish new customers;
- Flexible Scheduling: Work during shifts that align with your availability;
- Collaborate with a Vibrant Team: Be part of a supportive and creative environment dedicated to food, sustainability, and community building.

WHAT WE'RE LOOKING FOR

We're seeking chefs who are:

- Passionate about cooking and food innovation;
- Professional and disciplined with their craft, and willing to work in a unique space
- Excited to work in a community-focused setting;
- Committed to high-quality, healthy, sustainable, and creative culinary practices.

How to Apply: Interested candidates should apply by completing this [form](#).
